SUBJECT: INL BODY SCANNERS HANDED OVER TO THE NIGERIA NATIONAL DRUG  
LAW ENFORCEMENT AGENCY, (NDLEA).

INL office at Embassy Abuja has completed the installation of Body Scanners at the four major international airports in Nigeria, Lagos, Abuja, Kano and Port Harcourt. A hand over ceremony of the equipment was performed by Ambassador Robin Sanders. On March 27, 2008 a ceremony was held to handover the scanners for the Abuja and Kano International Airports. Since the installation of scanners, the Abuja and Kano airports have recorded a total of 33 arrests. The handover ceremony for the Lagos and Port Harcourt International Airports was conducted on June 15, 2008. It is expected that this sophisticated equipment will shut down Nigeria's international airports to drug courier activities.
